

Podcast Video Host Pricing

Services:

- Consult on podcast content
- Work with the team to find taping date/time
- Help with question creation of said episode's guest(s)
Organize the episode with client via Zoom, Google Meet, Riverside.fm, Sounder.FM, Phone, or other. All run through a podcast mixer
- Host the podcast (Optional)
- Edit the podcast to a finished product
- Find Jingle Intro and Outro Music if desired by client
- Create and produce a custom intro and outro
- Consult as requested on marketing of the finished product

Prices:

1 Podcast \$3,000
4 Podcasts \$10,000
6 Podcasts \$12,000
12 Podcasts \$21,000

If a different # of podcasts is requested inquire within. As well if shorter vignettes are wanted.

*Jingle music and finding a voice person are *not* included in the prices above and Evan will incur all costs associated with them and bill the client later for any out-of-pocket expenses and time incurred. Usually this is relatively inexpensive.
