

Podcast Video Host Pricing

Services:

- Consult on podcast/vodcast content
- Work with the team to find taping date/time
- Help with Questions Creation of said episode's guest if needed
Organize the episode with client via Zoom, Google Meet, Riverside.fm, Sounder.FM, Phone, or other. All run through a podcast mixer
- Host the vodcast or podcast (option for employee to host it in my stead as well, and I produce)
- Edit the podcast or vodcast to a finished product
- Find Jingle Intro and Outro Music if desired by client
- Voice Intro/Outro or hire a voice person if desired by client. Even will handle producing all.
- Consult as requested on Marketing of the finished product

Prices:

1 Podcast \$3,000
4 Podcasts \$10,000
6 Podcasts \$12,000
12 Podcasts \$21,000

1 Vodcast (Video) \$3,500
4 Vodcasts \$12,000
6 Vodcasts \$15,000
12 Vodcasts \$27,000

*If more than 12 is desired, we can discuss that situation.

If a different # of podcasts or vodcasts is requested a figure can be worked out. As well if shorter vignettes are wanted or quick Q&A's

*Jingle music and finding a voice person are *not* included in the prices above and Evan will incur all costs associated with them and bill the client later for any out-of-pocket expenses and time incurred. Usually this is relatively inexpensive.
